Without a doubt, your presence will add dimension and quality to a forum of elite athletes testing and honing their skills. All levels and ages will have commensurate categories and all will have a memory of a lifetime.

We have attached information for your review and submission. If you are in need of assistance or facilitation, do not hesitate to use the contact email/information listed. Of course, I am also personally available if you should have any additional questions.

I look forward to seeing you personally in Hungary taking part in this premier event that does justice to the work invested in each athlete and to Karate-do.

All the Best,

INVITATION

It's a great honour for us to organise the first World Championship of the reformed Hayashi-ha Shito-ryu Karate-Do Federation in Miskolc. It's a very big responsibility to organise the first World Championship, but it is encouraging that the organization of the competition is supported by the Sportleadership of the Hungarian State, Gábor Elbert under- secretary, and the Self- government of Miskolc, and of personally Sándor Káli mayor provides a grand support and help as well.

The city of Miskolc has been improving in appearance in the last few years, and the modernization and renewal of the Sportcsarnok fit into this development. Under the name of the Sportshall of Miskolc City and Icehall, this modern establishment consisting of two halls gives place for the programmes of the World Championship, which provides the circumstances to perform the competition world standard.

Earlier, the city of Miskolc put up the Karate World Cup competition organized throughout 10 years as well, and it is excited because of the World Championship, which attracts the guests arriving from several parts of the world. To organize the competition the earlier Organizing Committee of the World Cup and those persons who have a significant competing past united again. The obtained experiences provides guarantee for bringing the World Championship to a successful conclusion.

I hope that the fact that the competition was advertised as an Open World Championship, will attract the competitors of other styles as well.

I honestly hope, that you, who is reading my information letter, decide your intention for participating and we will meet in spring of 2008, in Miskolc, on the World Championship.

As the Chairman of the Organizing Committee I invite you with respect for the competition.

21st Sept. 2007. Miskolc
